

Hanoi, 3rd August 2023

Bonjour Valued Partners,

We are excited to share with you the historical Metropole wing renovation completion after nearly one year of closure. We are super pleased with design of the renovated wing including room, suites, corridors and landings. The Metropole wing will be without question the leading product in the Hotel Metropole Hanoi.

There are now 4 types of rooms in the Metropole wing – Luxury rooms, Grand Luxury rooms, Metropole suites (these are new and we have 6 of these – bedroom and connecting living room with pull out bed – these were previously the connecting pairs of rooms) and the 3 Legendary suites. All rooms in this wing will have the option of a gourmet a la carte breakfast in the fine dining French restaurant Le Beaulieu. Those in the Grand Luxury rooms and up will also have Le Club Bar afternoon privileges – high tea inclusive of house wine, spirits and Champagne from 3 to 5.30pm daily - evening beverage of choice with turndown service until 9pm.

The Historical Metropole wing: 15 Ngo Quyen street.
